## Expacare works with Janashakthi Insurance Company to offer Health Insurance to Expatriates in Sri Lanka

**4th March 2009, London:** Expacare, one of the world's leading providers of international medical insurance, is working with Janashakthi Insurance Company, to provide comprehensive healthcare protection for the expatriates working and living in Sri Lanka.

Beverly Cook, Managing Director, Expacare, says, "We are really pleased to be operating in Sri Lanka. Expacare strategically partners with well established local insurers who have a wealth of local knowledge and experience in healthcare to ensure we can provide the highest level of service.

" Now expatriates in Sri Lanka and Sri Lankan's who live, work and travel overseas can relax in confidence, reassured that one of the world's foremost international healthcare providers is taking care of their health. We understand that organisations and individuals differ in their insurance requirements and pride ourselves on constantly evolving and designing new products and services."

Dubai based Sun Insurance and Reinsurance Brokers are the facilitators of this vital partnership ensuring full turnkey solutions to the launching of this product in the Sri Lanka insurance market. To comply with the local legislation and ensuring comfort and confidence to the consumers, approval for the launch of the international healthcare product has been obtained from the Insurance Board of Sri Lanka.
